#### Mike

I made further edits after Amy, Kelly and Deborah reviewed. I'm sending you anew the draft text, and bringing paper copies in case you want to pen other changes. I hope your long journey home has gone smoothly, and that you'll have time to relax before flying to Phoenix Sunday afternoon.

Alexis

\_\_\_\_\_

I THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES. ALTHOUGH THERE WAS MUCH SPECULATION EARLIER ABOUT MAJOR ORGANIZATIONAL CHANGE, I BELIEVE OUR CURRENT STRUCTURE WILL REMAIN AND SERVE US WELL.

I AM VERY FOCUSED ON

- **THE MEXICAN BORDER**, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- **TRIBES.** WITH 148 TRIBES, I'VE ALREADY VISITED GILA AND SALT RIVER TRIBES HERE IN ARIZONA, AS WELL AS SEVERAL CALIFORNIA TRIBES.
  - I'LL SOON BE HOSTING A MAJOR ANNUAL GATHERING OF ALL OUR TRIBES. AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA HAS UNIQUE TRUST AND FINANCIAL RESPONSIBILITIES.
- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER, OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS NEEDING RELIABLE DRINKING WATER.

- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT, AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE SIGNING OF THE RECORD OF DECISION FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

PAGE 2

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

**IN THE WATER PROGRAMS**, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT. WE PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL.

ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM, THUS WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

WATERS OF THE US HAS BEEN AN IMPORTANT ISSUE FOR ME, LONG BEFORE COMING TO EPA. THERE IS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

PAGE 3

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED.

HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS.

WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO, FOR EXAMPLE, BY REDUCING WAIT TIMES AT THE PORTS OF ENTRY FOR VEHICLES AND PEOPLE.

#### PAGE 4

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NINE NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC HAVE POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

IN COMPLIANCE AND ENFORCEMENT, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE JOINTLY CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

## THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED:

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.

PAGE 5

I'M DELIGHTED TO BE WITH YOU TODAY.

TOMORROW YOU'LL HEAR FROM ARIZONA'S OWN HENRY DARWIN, WHO IS SERVING AS EPA'S ACTING DEPUTY ADMINISTRATOR. WE ARE WORKING CLOSELY TOGETHER TO ADOPT MANY OF THE EFFICIENT PRACTICES OF LEAN-SIX SIGMA INVESTMENTS THROUGH HENRY'S LEADERSHIP.

PLEASE FEEL WELCOME TO CONTACT ME, THOUGH EMAIL OR MY CELL PHONE. I LOOK FORWARD TO WORKING WITH YOU.

Alexis, please find below proposed questions for the administrator. Please feel free to revise and make changes as you deem necessary.

#### Questions:

The area under your responsibility in Region 9 spans 8 time zones and nearly every climate you can think of. Can you talk a bit about some of the unique environmental challenges that the region faces compared to other parts of the country?

Any exciting approaches you can tell us about that your office is taking to address these challenges?

Agri-business is clearly a cornerstone industry in Arizona. How has your background in the agricultural industry informed how you approach issues at the EPA?

We're at a crucial point in our state when it comes to environmental and resource policy, what will be the focus of your message to the folks in the room at today's conference, who are at the forefront of these critical issues in Arizona.

Best,

Ava Montoya

Subject: Re: Administrator Stoker meeting with Glenn Hamer

Alexis,

Given that Glenn will be moderating the panel beginning immediately after the 2 pm break, I think it would be best to meet prior to lunch.

Also, would the administrator be willing to do a quick interview for Glenn's Facebook Live stream? It is something that he likes to do with high level guests and legislators when given the opportunity. We would of course provide questions in advance and give the administrator final approval. If this is something he would be willing to do please let me know so we can budget time for it and provide your team with all of the necessary information

Subject: Administrator Stoker meeting with Glenn Hamer

Hello Alexis,

Glenn Hamer, president & CEO of the Arizona Chamber of Commerce and Inudustry, will be present at the Environmental & Sustainability Summit all day on Monday.

I know that the administrator has to leave shortly after his keynote that day, but is there any room in his schedule in the morning to briefly sit down with Mr. Hamer for a meeting?

Let me know if this seems feasible at any point.

Mike, this is for you to look at. Not sure if you want to use it this way, but wanted you to have materials. Will bring paper copies. Alexis

THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES. ALTHOUGH THERE WAS MUCH SPECULATION EARLIER ABOUT MAJOR ORGANIZATIONAL CHANGE, I BELIEVE OUR CURRENT STRUCTURE WILL REMAIN AND SERVE US WELL.

I AM VERY FOCUSED ON

- THE MEXICAN BORDER, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- **TRIBES.** WITH 148 TRIBES, I'VE ALREADY VISITED GILA AND SALT RIVER TRIBES HERE IN ARIZONA, AS WELL AS SEVERAL CALIFORNIA TRIBES.
  - I'LL SOON BE HOSTING A MAJOR ANNUAL GATHERING OF ALL OUR TRIBES. AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA HAS UNIQUE TRUST AND FINANCIAL RESPONSIBILITIES.
- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER, OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS NEEDING RELIABLE DRINKING WATER.
- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT,

AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE SIGNING OF THE RECORD OF DECISION FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

PAGE 2

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

**IN THE WATER PROGRAMS**, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT. WE CONTINUE TO PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL. ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM, THUS WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

WATERS OF THE US HAS BEEN AN IMPORTANT ISSUE FOR ME, LONG BEFORE COMING TO EPA. THERE IS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

PAGE 3

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED. HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE

CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. OZONE HAS IMPROVED SINCE 1990, THOUGH HAS SEEN A SLIGHT INCREASE IN RECENT YEARS, POSSIBLY DUE TO A COMBINATION OF FACTORS, INCLUDING POPULATION, VEHICLE MILES DRIVEN, AND WEATHER CONDITIONS. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS. WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO, FOR EXAMPLE, BY REDUCING WAIT TIMES AT THE PORTS OF ENTRY FOR VEHICLES AND PEOPLE.

#### PAGE 4

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NINE NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC HAVE POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

**IN COMPLIANCE AND ENFORCEMENT**, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR

ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE JOINTLY CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

## THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED:

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.

#### PAGE 5

- TRIBES: EPA IS RESPONSIBLE FOR TRIBES COMPLIANCE WITH ENVIRONMENTAL AND PUBLIC HEALTH REQUIREMENTS, AND BRINGS FORMAL ENFORCEMENT ACTIONS THERE AS WELL.

I'M DELIGHTED TO BE WITH YOU TODAY. TOMORROW YOU'LL HEAR FROM ARIZONA'S OWN HENRY DARWIN, WHO IS SERVING AS EPA'S ACTING DEPUTY ADMINISTRATOR. WE ARE WORKING CLOSELY TOGETHER TO ADOPT MANY OF THE EFFICIENT PRACTICES OF LEAN-SIX SIGMA INVESTMENTS THROUGH HENRY'S LEADERSHIP.

PLEASE FEEL WELCOME TO CONTACT ME, THOUGH EMAIL OR MY CELL PHONE. I LOOK FORWARD TO WORKING WITH YOU.

Subject: Thank you & my apologies

# Gentlemen,

Thank you so much for your help and engagement today, it made a real difference. I also want to communicate my sincere apologies because I will unfortunately miss tomorrow's Border 20/20 meeting. You will nevertheless be in great hands with Amanda and Edna.

I do look forward to seeing you later at AMC.

Warmest regards,

Misael

#### Description

The Collaborative and the National Clean Diesel Campaign conduct public workshops periodically.

This year's partners meeting will be held in collaboration with the NorCal Clean Cities Coalitions and the Green Transportation Summit and Expo

AIR and LND staff will be presenting at the Air Sensors International Conference on using air sensors in environmental education.

We will participate in a quarterly meeting of the binational Border 2020 Imperial-Mexicali Air Quality Task Force jointly chaired by the ICAPCD and Baja California Secretariat of Environmental Protection. At this meeting, CARB is planning to share results of the first phase of an EPA-funded study of PM2.5 transport from Mexicali to Imperial.

During the week of July 9, the Permits Office will hold a public hearing on the draft permit for Express Fuel, a gasoline dispensing facility in Shingle Springs, CA. We are holding the public hearing as the local community has expressed interest in this action.

We will participate in a temporary, CARB-led workgroup focused on identifying additional measures CARB and other agencies can take to reduce the PM10 and PM2.5 emissions in the border region, especially between Imperial County, California and Mexicali, Baja California, Mexico. CARB plans to document the measures in a work plan and submit it to their Board in October 2018.

The Ports of LA and LB offiicals will give a tour to the RA. ENF also has the lead on another portion of the agenda.

Kathleen Stewart and Mariela Lopez, with the Monterey APCD will be offering smoke training to the Fort Ord Environmental Justice Network on June 30.

The training will focus on health impacts and tips to reduce those impacts from wildfires, prescribed burns, and agricultural burns.

We will participate in Border 2020 Regional Workgroup Meeting in Tucson, Arizona providing updates on air quality-related projects (along with other media leads who will provide their updates); receiving updates from Border 2020 partners; and (tentatively) participating in a field visit to the Mariposa Port of Entry to learn more about unified cargo processing.

On June 6-7, 2018, we will attend the 2018 Southern California Ozone Research Symposium at UC Riverside. Created by the Coordinating Research Council and Truck and Engine Manufacturers Association, the Symposium will bring together stakeholders and researchers from EPA, California Air Resources Board, South Coast Air Quality Management District, and research-oriented organizations and universities to discuss research agendas around understanding the issues air quality models have in modeling southern California's ozone.

On June 4-7th, we will attend EPA's annual Regional, State, and Local Modelers' Workshop. This Workshop provides the federal, state, local, and tribal levels of the regulatory modeling community the opportunity to present, interact, and communicate various technical issues and solutions related to regulatory air quality modeling. The Workshop is open to industry representatives and outside participants in addition to the co-regulating air agencies on Tuesday, June 5th to allow for a joint engagement of the entire permit modeling community.

In coordination with OITA and RTP, we will be hosting a delegation from South Korea for a short presentation on air quality. Representatives from RTP will present via VTC on cross border pollution issues and current methods of measuring and monitoring air quality. Border staff will be present to answer questions about EPA efforts in the border region.

Zuckerberg San Francisco General Hospital wins one of two National Environmental Leadership Award in Asthma Management. Possible event at the hospital. DATE tentative.

We will present on a panel titled "Paving the Road Ahead for EVs in California."

The meeting will convene members of the Border 2020 Imperial-Mexicali Air Quality Task Force from both sides of the border to discuss the status of current projects, potential future projects, and emerging issues. Other participants will include the Imperial County Air Pollution Control District and the Secretariat of Environmental Protection of Baja California (Co-chairs), the California Air Resource Board, and the public, among others.

The Arizona Department of Environmental Quality (ADEQ) is holding two days of meetings, April 30-May 1, to discuss PM10 control measures for the Yuma, Arizona area. Region 9 Rules staff (Christine Vineyard and Nancy Levin) are attending to provide guidance, listen and bring back information to share with staff in the office as needed.

2nd meeting - 4th Annual Environmental Health & EJ Enforcement Symposium. AIR-9 staff will attend this meeting, with the theme "Building Capacity in Environmental Justice Communities: Reducing pollution through effective collaboration," in a non-speaking role. (Donez)

We will attend (not speak at) a conference on 1/24-1/25) in Pacific Grove. It is called Eco Farm Conference and it convenes farmers and others to share best practices, regulations, resource management.

Regional staff will participate in a Google Earth Engine Training Workshop

Regional staff will participate in a 2017 Post Fire Season Air Monitoring Meeting with CARPA members to to discuss thoughts on the 2017 fire season air monitoring efforts and collaboration

Regional staff will participate in an Infocast EVs & the Grid conference panel session regarding electric vehicle deployment efforts in California.

We (staff) will attend the Clean Cities Coalition Annual Clean Technology Forum & Equipment Expoto to discuss alternative fuels and vehicle technology deployment efforts in California.

We will join the SJV Air District on a tecnology demonstration press event for a solar battery truck refrigeration unit.EPA partially funded this project.

Regional staff will attend the South Coast AQMD AQ-SPEC "Making Sense of Sensors" conference and CAPCOA Sensors Workshop. These meetings will be attended by air quality professionals from federal, state, local and tribal air pollution organizations, metropolitan and regional planning organizations, environmental and research organizations, community groups, and industry representatives.

We (DD and DDD) will attend the FAll meeting of the National Association of Clean Air Agencies

public hearing for the PSD permit for the Palmdale Energy Center. Meeting hosted by EPA and open to the public. This hearing will be during the comment period for our prosed approval of the Prevention of Significant Deterioration (PSD) permit for the Palmdale Energy Project (PEP). The PEP is a proposed 645 MW natural gas-fired combinied cycle power plant. The proposal would start a public comment period seeking comments on our determination that the project meets the Best Available Control Technology and will not cause or contribute to a NAAQS violation.

We (Matt Lakin) Attended the Fall meeting of the Associatgion of Air Pollution Control Agencies On September 11-13, 2017, Regional staff will attend and present at the National Air Quality Conference in Austin, Texas. This meeting is sponsored by EPA, NACAA, and AAPCA, and will be attended by air quality professionals from federal, state, local and tribal air pollution organizations, metropolitan and regional planning organizations, environmental and research organizations, and industry representatives. Regional staff will present with representatives from Washoe County on communication and coordination between Washoe County and Region 9 during preparation and submission of wildfire O3 exceptional event demonstrations, which Region 9 concurred with in May 2017. (POSTPONED DUE TO HURRICANE IN TEXAS)

Regional staff will attend a South Coast Air Quality Management District (SCAQMD) Marine Port Committee Meeting on the San Pedro Bay Ports Draft Clean Air Action Plan (CAAP) Update.

Staff will brief the California Air Pollution Control Officer's Association (CAPCOA) Board of Directors on the West Coast Collaborative Alternative Fuel Infrastructure Corridor Coalition, a project focused on interstate coordination for alternative fuel station development to support medium and heavyduty fleet operations.

We will be attending a multi-stakeholder meeting organized by our subcontractor in El Centro, CA in Imperial County regarding sustainable financing of in-home asthma services in Imperial County. Stakeholders include the Imperial County Public Health Department, the Imperial County Air Pollution Control District, Comite Civico del Valle, Imperial Valley Child Asthma Program, two insurance companies, California Breathing, and others. The larger public will not be invited to this meeting.

Regional staff will attend a public workshop on the San Pedro Bay Ports' (Port of Los Angeles and Port of Long Beach) Clean Air Action Plan (CAAP) draft revisions. EPA does not have a speaking role at this meeting.

We will be presenting on healthy homes, indoor air quality, and public health at the La Posta Band of Diegueño Mission Indians. The environmental director at La Posta has invited the environmental, housing, and maintenance programs, as well as community members from La Posta Band of Diegueño Mission Indians, Campo Kumeyaay Nation, and the Manzanita Band of Diegueño Mission Indians.

Regional staff and management will participate in an information-sharing meeting with Google staff and management at their Mountain View campus. We will share our regional perspectives and current projects on air qualty sensors and learn about the Goodle AirView program.

Environmental Health Training for the Fort Ord Environmental Justice Network. We have invited the local air quality management district and environmental health office to participate.

University of California, Davis Institute for Transportation Studies (UCD ITS) Transportation Energy Conference - Staff will attend the biennial UCD ITS Transportation Energy Conference at Asilomar Conference Grounds in Pacific Grove, CA. Sessions will address emerging issues, including global peak oil demand, vehicle electrification, sustainable freight, and the energy impact of shared mobility and automated vehicles. The conference will also address the growing skepticism of globalization and shifting climate policies. (Contact: Amy Zimpfer x 7-4146, or John Mikulin x 2-3956)

Palmdale, CA - Information meeting for the PSD permit for the Palmdale Energy Center. Meeting hosted by EPA and open to the public.

We will be meeting with the Hawaii Department of Health to discuss both the Asthma Program and the Indoor Air Quality Program. We will also meet with the Hawaii Branch of the American Lung Association and attend meetings with community members including a group of Public Health nurses to discuss environmental triggers of asthma and general indoor air quality issues.

Staff will attend the workshop titled "Biofuels and Bioproducts from Wet and Gaseous Waste Streams: Market Barriers and Opportunities" hosted by the U.S. Department of Energy, which will focus on tangible challenges and potential solutions in facilitating market success for innovative, cost-effective solutions.

Staff will attend the workshop titled "Biofuels and Bioproducts from Wet and Gaseous Waste Streams: Market Barriers and Opportunities" hosted by the U.S. Department of Energy, which will focus on tangible challenges and potential solutions in facilitating market success for innovative, cost-effective solutions.

Information meeting for the PSD permit for the Palmdale Energy Center. Meeting would be hosted by EPA and open to the public. (Date of meeting is approximate)

San Joaquin Valley Air Pollution Control District Office - We will attend Public workshop hosted by the District on attainment plan for 1997 PM2.5 NAAQS and 2nd maintenance plan for 1987 PM10 NAAQS.

San Joaquin Valley Air Pollution Control District Office, Fresno, CA - Staff will attend Public workshop hosted by the District on attainment plan for 1997 PM2.5 NAAQS and 2nd maintenance plan for 1987 PM10 NAAQS. Contact: Rory Mays

UC-Merced Fresno Center, Fresno, CA - Staff will attend Public meeting hosted by the California Air Resources Board on SJV PM2.5 Planning. Contact: Rory Mays

UC-Merced - We will attend Public meeting hosted by the California Air Resources Board on SJV PM2.5 Planning.

RA will visit with Esperanza Community Housing Project - asthma award winners - to congratulate them on their award and thank them for their work.

Alexis Strauss is scheduled to speak at an event where SA Recycling, Southern California's largest recycling operation and exporter of scrap metal, will unveil a new electric mobile crane at its Port of Los Angeles terminal.

Acting RA Alexis Strauss is scheduled to participate on a panel for a discusison on "Navigating Regulatory Uncertainty."

#### Description

Staff (Baranco) is presenting training on EPCRA 313 TRI Reporting Requirements at the Arizona Chamber of Commerce Environmental Committee breakfast meeting.

20 min talk to industry associations, pretreatment officals, other agencies, and environmental groups about industrial stormwater inspections and what to expect when an inspector comes for an inspection. 10 minute question and answer session. Daniel Haskell is the speaker on behalf of EPA.

The State of CA's Division of Drinking Water invited Enf 3-3 to discuss EPA's SDWA ERP and discuss recently referred DW cases.

ICOET is the premiere inter-agency, multi-discipline research conference addressing the broad effects of transportation systems on water, wildlife, habitat, and ecosystems. Clifton Meek will be attending ICOET and representing EPA on the Steering and Program committees for the conference. Additionally he will be presenting on a panel discussing EPA's role in FHWA's Eco-Logical initiative.

Town hall meeting to provide information on a special air monitoring effort in the Compton area, to assess air toxics associated with metal processing. Opportunity for public comment and Q & A session. EPA attending, not speaking.

Part of a series of regional conferences organized by the CA EJ Coalition (of over 70 organizations) re EJ issues and solutions.

One of two evening sessions organized by CalEPA to share results of enforcement initiative in East and West Oakland. Many BDO's will participte. Dave Wampler one of several government agency speakers--with Water Board, will share highlights of stormwater issues.

One of two evening sessions organized by CalEPA to share results of enforcement initiative in East and West Oakland. Many BDO's will participte. Dave Wampler one of several government agency speakers--with Water Board, will share highlights of stormwater issues.

Full day session of the advisory group which meets several times a year; although not public, members of the advisory group include non government organizations. Deldi will speak on a panel about lead and EJ2020 goals.

Connell Dunning speaking to transportation practitioners at the Association of Environmental Professionals Institute.

Lynn Kuo and Max Weintraub will be giving a presentation tomorrow night at the local chapter of the National Association of the Remodeling Industry. Additional info is found at: http://sfbanari.org/meetinginfo.php?id=25&ts=1500708355

HQ OEJ's Danny Gogal will speak and Air Division's Richard Grow will attend a one day session convened by the Navajo Nationa Human Rights Commission on the UN Declaration on the Rights of Indigenous Peoples. Coordinating with Region 6. R9 SFD and LND-TPO in the loop.

Deldi Reyes will be a guest lecturer at a class on environmental justice taught by Ingrid Brostrum at UC Berkeley, School of Law. Topic: EJ and Title VI of the Civil Rights Act

Chuck Swanson will speak and Fatima Ty will attend an EJ training session for 200 CalRecyle employees. Topic: EJSCREEN. Other invited speakers may include non governmental representatives, i.e. Manuel Pastor, USC.

Chuck Swanson will speak as one of several panelists at a session he is organizing on EJ screening tools at the annual conference of the Moving Forward Network (at their invitation). He is coordinating with CalEPA and the CA Env Health Tracking Network.

This is a commitment in EJ2020. We are co organizing with CalEPA and Bay Area Air Quality Management District to invite their EJ grant cohorts.

HQ's Roy Chaudet is coordinating and will provide compliance assistance on imports and EPA's ACE database to the Los Angeles Customs Brokers and Freight Forwarders Association (LACBFFA). EPA Region IX's Matt Salazar and CAA inspectors will be there to provide compliance assistance on vehicle and engine importing and answer questions.

HQ's Roy Chaudet is cooridnating and will provide compliance assistance on imports and EPA's ACE database to the Customs Brokers & Forwarders Association of Northern California (CBFANC). EPA Region IX's Joel Jones and will be there to provide compliance assistance on vehicle and engine importing and answer questions.

Pete Reich, Inspector with U.S. EPA Region 9 Oil Program will be conducting a training and outreach session to all stakeholders and interested parties on Monday morning, September 18th from 9 to 11:30 am. The training will be held at the American Samoa Environmental Protection Agency offices in Utulei. The training will provide an update on the current status of the SPCC Regulation, guidance on SPCC Plan certification and implementation, and will include a detailed summary of SPCC Rule requirements as they apply to regulated facilities in American Samoa. The training is recommended for all stakeholders, including but not limited to Government, Industry, Utility, Manufacturing, Fish Processing, Port Authority, Consultants and Engineering personnel.

CalEPA is closing out their focused compliance and enforcement initiative in Oakland with a resource fair and all participating agencies, including EPA, are invited to table at the event. Deldi Reyes is coordinating the Region's participation and will provide info about the EJ grant program; Scott Stollman (LAND); Sharon Murray (SFD) (tentative), Priyanka Pathak (AIR) will also participate.

The California Department of Pesticide Regulation (DPR) is hosting this workshop to strengthen partnerships with the community by providing attendees a working knowledge of pesticide use enforcement, reporting and worker safety. The workshop is designed to provide attendees with a better understanding of DPR's Enforcement Program and the services it provides to county agricultural commissioners (CAC). EPA presenters, Panah Stauffer (ENF) and Fabiola Estrada (LND), will give an overview of the region's pesticide program.

California Resource Management Association annual environmental conference. CRMA is a non-profitstatewide association of companies which generate, transport, treat, store and dispose of wastes. Kathleen Johnson will be speaking at their request regarding federal enforcement and RCRA updates.

Eric Magnan and Roberto Rodriguez in person; Priyanka Pathak, Corine Li and Deldi Reyes by phone. Purpose was to build local support for CalEPA initiative and hear concerns. Other agencies: DPR, Water Board, CalEPA

Deldi Reyes and Connell Dunning will attend as observers.

Feb. 5 - John Schofield will hold a section covering RCRA Air Emissions; Feb. 7 - Liz Janes will hold a session covering CUPA data.

Feb 13 - Jim Polek and Amelia Whitson (WTR) will present all-day Pretreatment 101 Class.

Feb 8 - Angela Baranco will hold a session on TRI tools for Tribal lands

Angela Baranco will attend BorderTask Force meeting to demonstrate TRI public tool and present Border TRI report

Feb 27-28 - Angela Baranco will participate in env. panel discussion on using envir data; and hold a session on TRI tools for Tribal Lands

Feb 23 - Zac Appleton will attend the environmental stakeholder workshop for State Route 37 at the MTC MetroCenter on Beale St in SF.

Feb 28 - Jason Gerdes, Jeanne Geselbracht, Ann McPherson, Kathleen Goforth, and Zac Appleton will carry out various Listening Session tasks at different times of that day at the Main Library in SF.

2/22: Roberto Rodriguez, Everett Pringle, Christina Carroll, Kimby Wells and Alejandro Diaz will meet w/CBA to discuss Arvin CSD's progress on the 2015 drinking water AOC.

ARB is organizing three workshops on AB 617 in CA; Oakland's session is the first. Richard Grow from Air Div will also attend. No speaking role for EPA.

Reclamation invited interested stakeholders in the EIS process to convene in Reclamation meeting space to discuss EIS development.

UC Davis invited EJ coordinator to keynote at this event, organized in partnership with UC Davis School of Law, Environs: Env Law and Policy Journal, the Aoki Center for Critical Race and Nation Studies, the John Muir Institute of the ENv and the CA Env Law and Policy Center

CalEPA holds community meetings to report back on what was found during their focused compliance and enforcement initiatives. The Enf Division's Stormwater program participated in inspections and Dan Haskell, stormwater inspector based in the LA Field Office, will attend.

4/9-4/13: Jeanne Geselbrecht will assist the Asian Institute of Technology in delivering this course providing EIA training in the Mekong Region (funded by USAID through OITA). Under a Participating Agency Program Agreement, EPA has over the last 4 years been providing tech assistance and building capacity in the implementation and enforcement of EIA processes.

D. Reyes will attend this 2nd of 2 DTSC public workshops. The purpose of the event is to discuss DTSC's proposed framework to investigate & clean up properties potentially contaminated by operations of lead-acid battery recycling facilities throughout CA. The program is required by the Lead-Acid Battery Recycling Act of 2016 (AB 2153).

#### Description

The meeting will convene members of the Border 2020 Imperial-Mexicali Air Quality Task Force from both sides of the border to discuss current and potential future projects, and emerging issues. Other participants will include the Imperial County Air Pollution Control District, the Secretariat of Environmental Protection of Baja California, the California Air Resource Board, and the public, among others.

EPA's federal counterpart, SEMARNAT, will co-host a workshop along with the Border Environment Cooperation Commission (BECC) to provide information on BECC's upcoming Border 2020 Request for Proposals. EPA staff will assist with questions in regards to the RFP.

Staff will participate in environmental education fair.

Staff will present asthma and children's health information at the SF Mission District Salvation Army.

Staff will host outreach table with EPA materials.

Staff will present on EPA to environmental science students.

EPA staff will present to the San Diego Lion's Club on EPA's San Diego Field Office and work managed in the US-Mexico Border Region.

EPA, along with the La Posta Band of Mission Indians, will host a workshop for the recently released Request for Proposals (RFP) by the Border Environment Cooperation Commission (BECC) who works to meet the goals and objectives of the Border 2020: U.S.-Mexico Border Program.

Monthly meeting convenes public and members of local, state, and Federal government to discuss environmental justice issues and community environmental concerns entered into IVAN database. EPA provides updates on projects in Imperial County.

Staff will attend the monthly meeting for the Border Health Consortium of the Californias hosted by the County of San Diego. This meeting discussion will touch on the following theme, among others: the impact of recent socio-economic & political changes on health in the California-Baja California Border Region.

Acting RA will attend and provide remarks. Every other year, environmental agencies of CNMI, Guam, and American Samoa sponsor this conference to exchange information on a variety of environmental issues. Almost 300 attendees from across the Pacific participate, representing local governments, elected officials, non-profit and community-based organizations, private sector representatives, and professional and university researchers.

Organizing roundtable meeting to support roll out of Safer Choice.

Red Hill Administrative Order on Consent commits us to public informational meetings at least annually. EPA and Navy representatives will provide an update on AOC progress including environmental investigations and infrastructure upgrades. Stakeholders include the Navy, DLA, USGS, HI DLNR, Sierra Club and Honolulu Board of Water Supply.

Staff will present on South San Francisco Sustainable Streets project to elected local government officials and directors of regional transportation and housing authorities.

EPA staff, PEHSUs, ATSDR, and CDC will attend.

HUD R9 has organized a federal convening that includes a tour of the proposed South Stockton Promise Zone area and the opportunity to meet local partners, learn about their challenges, resources, and explore ways the federal government can better support the community's goals.

This program is designed to help communities looking to capitalize on growing demand for local foods to boost economic opportunities; foster entrepreneurship; improve access to healthy local food, particularly among disadvantaged groups; and revitalize downtowns.

Staff will present the PCB Facility Approval Streamlining Toolkit (PCB FAST) to an industry group focused on issues affecting cleanup of contaminated sites. EPA HQ reps will attend meeting in Washington, DC; R9 will present via phone.

Staff will participate in a Univision TV interview on bed bugs and integrated pest management in coordination with R9 OPA.

Staff will participate in an indigenous speakers workshop with CRLA and Ventura CAC.

Staff will participate in a pesticide safety and worker protection workshop with Ca Dept of Health, Ca Dept of Pesticide Regulation, and Ventura CAC

Staff will participate in Western Plant Health Association's 2017 conference involving fertilizer and crop protection manufacturers and agricultural retailers in AZ, CA, and HI.

Staff will present curriculum from EPA's "Recipes for Healthy Kids and a Healthy Environment" program to high school classes.

Staff will present at "Striving for Zero Waste at Colleges and Universities Workshop"

This forum is supported by UC San Diego. Staff will present on sustainable materials management and waste issues in the border region and efforts to mitigate binational impacts.

Monthly meeting convenes public and members of local, state, and Federal government to discuss environmental justice issues and community environmental concerns entered into IVAN database. EPA provides updates on projects in Imperial County.

NDEP and NERT will provide site background and current and future soil and groundwater response activities. They will also collect input on community concerns, information needs, and desired involvement in cleanup process. Local press/media (FOX) will be covering.

Staff will give a talk on food waste prevention techniques for the food service sector.

Staff will attend and help host a workshop in support of the Greening America's Communities (formerly Capitals) technical assistance program. This workshop is focused on improving street design to support community revitalization (around two rail stations), pedestrian safety, and supporting green water infrastructure.

Staff will provide an overview of environmental education and children's environmental health issues for middle school-aged students who participate in Salvation Army care programs for low-income children.

Staff will update the Commission on the cleanup status/redevelopment of the Romic Environmental Technologies RCRA corrective action site.

Staff will attend for Sustainable Materials Management and Zero Waste training and to present on Border waste and materials management issues.

Staff will present on children's environmental health topics for staff and parents at the YMCA Central Bay location.

Staff will present on children's environmental health topics for staff and parents at the YMCA Central Bay location.

Summer 2017 meeting of the RTOC, a working committee of EPA and tribal personnel co-chaired by an EPA and tribal representative. All tribes within Region 9 are considered members of the RTOC.

Staff will provide training on Healthy Homes and Asthma Management for the Fort Ord Environmental Justice Network.

Staff will present on Zero Waste/Sustainable Materials Management data, tools, and trends at USDA organized technical event on biopolymer research.

Training providers accredited by EPA to teach courses on EPA's Lead Renovation, Repair and Painting Rule will attend a roundtable to discuss the RRP Program, changes to course materials, and encouraging contractors to seek certified training. State and local lead-based paint program representatives will also attend.

Awardees of the President's Environmental Youth Award and the Presidential Innovation Award for Environmental Educators will be honored at the US Department of Commerce Auditorium by Administrator Pruitt and other federal officials. Staff will attend and accompany the R9 teacher and student awardees to the ceremony, poster session, and on a Library of Congress tour.

Staff will present the Tribal Green Building Toolkit and the Zero Waste Planning Guide in collaboration with Gila River Indian Community representatives.

In collaboration with LAUSD, we will host a one-day training on protecting children's environmental health during school renovations.

We will host a training on the air quality flag program for schools in San Pedro, CA which are impacted by activities at the Ports of LA and Long Beach.

We will host an Environmental Education booth and workshop focused on air quality for students who attend the Summit.

We will host a Children's Health booth with information for families on lead poisoning, asthma, healthy homes and more.

We will conduct a WPS presentation in partnership with the Mexican Consulate for community leaders, farm labor contractors, growers, and the public.

Staff will conduct pesticide/worker safety outreach at event organized by the Mexican Consulate Office. Representatives from CA Dept. of Pesticide Regulation and County Agricultural Commissioner also attending.

EPA and DTSC representatives will inform the public about the applications that Chemical Waste Management has submitted to modify permits at the CWM Kettleman Hills RCRA hazardous waste and TSCA PCB management and disposal facility.

Over 500 tribal and EPA R9 and HQ participants will attend the 25th Annual Tribal-EPA R9 Conference at Viejas, Alpine CA. The San Pasqual Band of Indians is hosting the conference which alternates between San Francisco and a tribal location each year.

ORCR (OLEM) Office Director to chair meeting seeking public/state input on e-Manifest system. R9 attending as sub-lead region representative.

Staff will meet with members of the AZ Sustainable Cities Network to discuss EPA tools and strategies to support environmental protection priorities, including the Managing and Transforming Waste Streams Tool, EPP, Safer Choice.

We will present the Federal Green Challenge Regional Award to the Department of Energy, Lawrence Livermore National Laboratory at their monthly Farmer's Market event.

Staff will attend the summit.

We will participate in a SFUSD-sponsored event to celebrate Bike-to-School Day in San Francisco. We will provide children's health outreach material and answer questions about EPA's healthy school programs.

We will attend the ribbon cutting for the City of Fresno's Fulton Street which opened to traffic after 18 months of construction to renovate the historical main street. The project attracted tens of millions of dollars in new private investment in downtown Fresno, and was supported by EPA and DOT funding and technical assistance during the federal Strong Cities, Strong Communities initiative.

We will present zero waste training and participate in a tour for businesses and universities at Orange Coast College.

We will participate on a panel with DPR and CalOSHA for session on worker safety. Conference is in Spanish.

EPA and DTSC representatives will inform the public about the applications that Chemical Waste Management has submitted to modify permits at the CWM Kettleman Hills RCRA hazardous waste and TSCA PCB management and disposal facility.

We will moderate a session and present on "Preventing Food Waste Upstream: A Source Recuction Approach"

We will present on "EPA's Guide to Conducting Student Food Waste Audits"

Tribal Caucus Meeting 2/6/2018; Winter RTOC Meeting 2/7/2018; Training Sessions 2/8/2018

The 39th US Coral Reef Task Force Meeting will be held Feb 19-23 in Washington, DC. We will also attend the Interagency Group on Insular Areas.

This place-based assistance will help EPA, GSA, and local government demonstrate how a sustainable approach to community design can transform the site and its adjacent corridors, and put public investment to its best and highest use. We will attend the 3-day charrette along with HQ (OSC) contractors, city, state, federal, and some private sector stakeholders. There will be 2 public open houses in the evenings.

We are sponsoring three workshops for the Food Manufacturing and Processing sector, a Pollution Prevention Program national emphasis area, in Los Angeles and Fresno on Jan 18, and in Stockton on Jan 25. We are partnering with grantees, the California Air Resources Board and California Green Business Network, as well as local partners.

We will present in the Hazardous Waste e-Manifest Overview and Demonstration Session Feb 5 and the UST Advanced Data Mining in CERS Session Feb 6.

We will give a presentation on Integrated Pest Management.

California Employment Development Department's 2018 5th Annual Farmworkers Appreciation Day and Resource Fair community event. We will provide worker safety outreach.

We will attend this annual conference which brings together professionals from migrant and community health centers and allied organizations for the purposes of education and training, information and resource sharing, coalition building, and program and policy development.

We will participate in a live interview on pesticide safety/worker protection for Radio Indegena. Audience includes indigenous workers who speak little to no Spanish.

The West Fresno Family Resource Center Black Farmer Conference is sponsored by USDA. Agenda still developing. We will provide pesticide/worker safety outreach and may participate on an occupational health and safety panel.

Annual conference for agricultural employers and employees. Topics include worker safety and health, human resources, pesticide safety, leadership development, and food safety. On March 1, we will present on the Worker Protection Standard and will be a panelist for a discussion of laws and regulations.

We will give keynote address on sustainable management of food at the Waste Reduction and Resource Awareness Program's second annual Zero Waste Conference.

The Navy will host a Red Hill Public Meeting/Open House with EPA and HDOH on the Tank Upgrade Study.

The Spring RTOC Meeting will be held in the R9 Conference Center. The Tribal Caucus will meet April 10; the Full Caucus (Tribal and EPA) will meet April 11; Workshops and Breakout Sessions will be held April 12.

We will participate in workshops and tours hosted by Border2020 grantee Southwest Wetland Interpretative Association regarding transboundary impacts and mitigation of trash/plastic on the Tijuana River Estuary and Ocean. Participating agencies include NOAA, EPA, the Tijuana River National Estuarine Research Reserve, Baja CA-Secretary for Environmental Protection (SPA), and others.

We will present Worker Protection and Integrated Pest Management sessions in English and Spanish, and co-host information booth with CA Dept of Pesticide Regulation. This annual conference is for migrant parents--many are, or used to be, farmworkers.

We will host farmworker awareness events in the R9 office including a sock drive for farmworkers, a photo project representing the R9 community's past and present connections to agriculture, and a screening and discussion of the documentary Food Chain\$.

Summit will discuss future of IPM and pest management policy and tools with leaders, practitioners and broader community.

Sponsored by UC Davis, will include CA DPR, ag commissions, nonprofits. Mary Grisier will participate for Region 9.

We will participate in a regional PEYA Award Ceremony at American High School to recognize one of our 2016 winners for her work in water conservation and greywater toxicity testing. Congressman Eric Swalwell will be in attendance and will present a Congressional certificate.

We will present "Three Methods for Measuring Wasted Food: A Source Reduction Prequel" at this West Coast organics management conference.

We will present EPA's "Food Too Good to Waste" at the Pasadena Public Health Department's National Public Health Week Event, Pasadena City College.

The US-affiliated Pacific island environmental directors and EPA meet bi-annually to build relationships among and between Pacific islands and EPA R9, and to identify strategic action items. RA and Division Directors provide welcome on 6/19; program offices participate by agenda topic.

Patti TenBrook may attend second day of Full SFIREG national meetings.

The summer RTOC meeting will be held July 17-19 in Yerington, NV. EPA management and leadership discussions with tribes will occur July 19. Alexis Strauss, Jeff Scott, and Laura Ebbert attending.

Regional workgroup and task force presentations on Action Plan status and NADB review of Border 2020 project implementation. LND Director Jeff Scott and Assistant Director Bridget Coyle will attend celebration of new compost center in Rio Rico, in collaboration with UA Compost Kats-Tucson and Santa Cruz Co, with short speeches and tour.

EPA will provide an update on Border 2020. Jeff Scott and Hector Aguirre attending.

Navy, HDOH, and EPA will discuss tank upgrades and update stakeholders and elected officials on AOC progress. Jeff Scott, Nicole Moutoux, and Steven Linder attending.

The US Coral Reef Task Force will hold its 40th meeting in Pago Pago, American Samoa. The Task Force includes leaders of 12 Federal agencies, seven U.S. States, Territories, Commonwealths, and three Freely Associated States. RA Mike Stoker, John McCarroll, and Hudson Slay attending.

#### Description

EPA staff will be conducting indoor air sampling at Drilube which is another facility located in the SFV Area 2 with vapor intrusion levels of concern.

EPA will be going door to door to speak to residents at the Estancia Luxury Apartments in Scottsdale, AZ about an environmental study being conducted to investigate the potential for vapor intrusion at the North Indian Bend Wash Superfund Site. As a precaution EPA will be bringing its Trace Atmospheric Gas Analyzer (TAGA) bus to test the air inside of the homes to determine if there is a buildup of trichloroethene (TCE) – the main chemical of concern.

Site team members, along with members of the South Gate Community Environmental Health Assessment Team will be making a presentation to South Gate High School faculty and paraprofessionals during their monthly meeting to discuss potential partnership opportunities on issues pertaining to clean indoor and outdoor air.

Site team member will attend the monthly meeting of South Gate's Community Environmental Health Assessment Team (CEHAT). The CEHAT is a group of South Gate community members and stakeholders formed under the Protocol for Assessing Community Excellence in Environmental Health (PACE EH) program that works to address environmental health concerns in the South Gate community.

Acting RA Alexis Strauss will speak at the graduation ceremony in this significantly disadvantaged community in the San Francisco Bay Area. Graduates of the job training program will work on redevelopment projects in the Bay Area, including solar panel installation.

Site team members will be making a presentation on all three Sites to a group of parents who are interested in learning more about the sites and our work in the community.

EPA staff will attend a ribbon cutting for a new senior center in Fallon, NV. The Northern Nevada Development Authority (NNDA) received EPA Brownfields funding to assess properties in rural Lyon and Churchill counties, Nevada. NNDA assessed the senior center property and found the site did not need cleanup.

Brownfields team members will meet with Brownfields coalition assessment grant recipient the City of Henderson, NV to visit potential assessment sites along the Boulder Highway project area, a major commercial corridor in the Las Vegas Valley.

Brownfields team members will meet with Brownfields coalition assessment grant recipient Clark County, NV to visit potential assessment sites along the Maryland Parkway project area corridor in Las Vegas, which connects McCarran International Airport, UNLV and the downtown strip.

EPA staff will speak at a Center for Creative Land Recycling workshop discussing EPA Brownfields funding, particularly Targeted Brownfields Assessment technical assistance, and how our funds lead to several successful developments in the City of Vista, CA.

EPA R9 Brownfields staff will participate in an EPA-led technical assitance workshop to identify policies and action items that will preserve open space and farmland, boost economic opportunities for local farmers and businesses, improve access to healthy local food, and promote childhood wellness. EPA Smart Growth Office is the lead for this effort.

EPA R9 Brownfields staff will participate in an EPA-led technical assitance workshop to identify policies and action items that will catalyze downtown economic development and neighborhood revitalization by creating vibrant, walkable, healthy communities. EPA Smart Growth Office is the lead for this effort.

EPA Region 9 has partnered with Federal OSHA to deliver a set of core Process Safety Management (PSM) courses to federal, state and local government chemical facility inspectors. All of them have responsibilities for ensuring that facilities comply with OSHA's PSM, EPA's Risk Management Program (RMP), and California's Accidental Release Program (Cal ARP). It represents the first time the set of courses have been delivered outside of the Chicago-based OSHA Training Institute and the wating lists for each of the two week long classes has demonstrated the interest and need in increasing technical capacity and consistency. The third and final course in the series, Advanced PSM in the Chemical Industries (PSM3430), will be held at EPA's Emergency Operations Center and Warehouse in Signal Hill, CA from June 5-16.

EPA will attend the Los Angeles River Tour hosted by the Urban Water Federal Partnership on July 27, 2017. The tour will highlight various priority sites, visit projects and accomplishments along the River, foster valuable conversations among partners, and determine the next steps for the partnership work plan. Five sites will be visited during the tour in, including the new Headworks Reservoir, Glendale Riverwalk, and Marsh Park.

Brownfield staff will participate in this OSC workshop where EPA will work with city staff and community residents to foster a strong sense of place by incorporating sustainable design strategies into the public realm in the form of streets, parks, waterfronts, town squares, and/or civic buildings. Brownfield staff will also meet with current funding recipients in Honolulu.

EPA senior management and staff will attend this press event highlighting how federal funding has enabled the reuse of valuable infrastructure and prevented it from falling into disrepair and blight. Examples include, SFD Removal assistance, State Revolving Fund, Brownfields Cleanup Revolving Loan Fund all in support of economic development. U.S. Representative Huffman and local elected officials will also attend.

Brownfield staff will attend the Environmental Workforce
Development and Job Training graduation Pahrump. Under this
program Nye County provides Pahrump residents with training
opportunities to work in environmental fields including work
related to hazardous materials handling; identification, assessment,
clean up, and remediation of contamination; and health and safety.

EPA staff will speak at the graduation ceremony in this significantly disadvantaged community in the San Francisco Bay Area.
Graduates of the job training program will work on redevelopment projects in the Bay Area, including solar panel installation on a former brownfield site.

Brownfields staff will provide an overview of the EPA Brownfields program in conjunction with the Nevada Division of Environmental Protection and Nye County. They will discuss Nevada brownfields redevelopment case studies.

Brownfields staff will participate in and facilitate sessions in the All Grantee Training Meeting for EPA's Environmental Workforce Development and Job Training program. This program supports skills development and jobs leveraging for redevelopment and environmental management positions.

Grants workshop to be hosted by Congressman Pete Aguilar's office. They are extending invites to EPA, FEMA, HHS, Economic Development Administration, HUD, DOJ, Dept. of Labor, and Dept. of Education. They are expecting between 150 – 200 people. They are interested in a presentation on our Brownfields Program as well as other EPA grants. The Congressman will be hosting this workshop and will include a session of brief overviews of grant programs by each Agency representative and then a break-out session for each Agency, followed by a roundtable of all Agency representatives with the Congressman. Jose Garcia from our Southern California Field Office will represent EPA at this Grants Workshop.

Brownfield staff are meeting with the Mayor of Nogales to discuss EPA Brownfields Resources and how they may be used in Nogales.

EPA will attend the groundbreaking media event for a new 86-unit affordable housing and commercial mixed-use project on the Emeryville-Oakland border. The project is close to transit and will incorporate a solar photovoltaic system, a community garden and 7,000 square feet of commercial space on the ground floor. EPA supported the project through a \$200,000 Brownfields Cleanup grant.

EPA staff will participate in two brownfields redevelopment planning community events on December 15 and 16. The City of Fresno received a Brownfields Area Wide Planning grant to revitalize the South Elm Corridor in southwest Fresno, an underserved community with multiple brownfield properties. The City of Fresno, in partnership with Habitat for Humanity, Groundwork USA, EPA and the city's consultant team will deliver "Brownfields 101" and engage the community in their vision for neighborhood revitalization. 3-day event.

EPA staff will participate in a brownfields redevelopment planning community meeting on January 24. The City of Bakersfield received a Brownfields Community Wide Assessment grant to analyze properties in three key redevelopment areas, including Downtown. Bakersfield will have a High Speed Rail station, and EPA's Brownfield grant will support station area redevelopment.

EPA staff will participate in a Brownfields redevelopment planning workshop on modular construction. Architect, developer and brownfields experts will discuss the findings of the consultat team funded by OBLR.

EPA staff will participate in a two-day workshop hosted by the City of Fresno and delivered by the Council of Development Financce Agencies (CDFA). CDFA is a Brownfields technical assistance provider. The goal of this workshop is to identify financing options to redevelop a key brownfield property.

EPA staff will represent EPA at the Cypress Mandela Training Center (CMTC) graduation.. CMTC is an Environmental Workforce Development and Job Training grant recipient.

EPA staff will represent EPA at the Richmond BUILD graduation. Richmond BUILD is an Environmental Workforce Development and Job Training grant recipient.

EPA staff will speak at the ribbon cutting for a new greenway and open space in Emeryville. EPA contributed \$500k to the cleanup.

Subject: August, Arizona

## Mike,

We are travelling to Phoenix the afternoon/evening of Sunday, August 19, and driving up to Prescott (two hours), to meet with the Arizona Chamber of Commerce and Arizona Manufacturing Council on Monday, August 20. You are the keynote speaker at their conference. In the afternoon, we'll drive back to Phoenix. You are available to meet with Austin later in the day (anytime from 4 pm on) or on Tuesday, August 21 in Phoenix. I'd be glad to support you on this trip.

Depending on that meeting (to be scheduled with Freeport McMoran and Sen. McCain's office), I could also schedule a meeting with the interim Mayor of Phoenix on Tuesday.

I need to fly you back to So. Cal. later on Tuesday for a Wednesday, August 22 8 am flight to Arcata – you'll be doing a local government event in Eureka/Arcata around our massive Superfund cleanup of the Samoa Pulp Mill, and Brownfields renewal. This latter trip is a two-day (Wed/Thurs) being organized by Enrique and John.

Subject: ACTION: RA Speech - AZ mid-August

Importance: High

Hello all -

The RA is giving a speech in mid-August at the annual meeting of the Arizona Chamber of Commerce/AZ Manufacturing Council in Prescott. Alexis is planning to accompany Mike on the trip and needs some belon in preparing material for his remarks

## **Deliberative Process / Ex. 5**

I will work on compiling what you send and Alexis/Amy will edit/review.

Thanks in advance and let me know if you have any questions!

Kelly

I THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES.

#### I AM VERY FOCUSED ON

- THE MEXICAN BORDER, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- TRIBES. WITH 148 TRIBES, I'VE ALREADY VISITED SEVERAL TRIBES AND WILL SOON BE HOSTING A MAJOR ANNUAL GATHERING. AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA HAS UNIQUE TRUST AND FINANCIAL RESPONSIBILITIES.
- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER, OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS NEEDING RELIABLE DRINKING WATER, WHILE SERVING OUR COUNTRY'S STRATEGIC INTERESTS.
- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT, AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE REMEDY SIGNING FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

IN COMPLIANCE AND ENFORCEMENT, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS. WE HAVE A VERY ACTIVE COMPLIANCE PRESENCE IN ALL OUR STATES AND TERRITORIES, AND IN INDIAN COUNTRY, CONDUCTING INSPECTIONS, AND BRINGING ADMINISTRATIVE AND JUDICIAIL ACTIONS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE BOTH CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

#### THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED.

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMPLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.
- TRIBES: EPA IS RESPONSIBLE FOR TRIBES' COMPLIANCE WITH ENVIRONMENTAL AND PUBLIC HEALTH REQUIREMENTS, AND BRINGS FORMAL ENFORCEMENT ACTIONS THERE AS WELL.

IN THE WATER PROGRAMS, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT.

WE CONTINUE TO PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL. ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM. THUS, WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

THERE IS ALWAYS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED.

HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. OZONE HAS IMPROVED SINCE 1990, THOUGH THERE HAS BEEN A SLIGHT INCREASE IN RECENT YEARS, POSSIBLY DUE TO A COMBINATION OF FACTORS, INCLUDING POPULATION GROWTH, INCREASED VEHICLE MILES DRIVEN, AND VARIABLE WEATHER CONDITIONS. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS. WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO.

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESSED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

Subject: Administrator Stoker meeting with Glenn Hamer

Hello Alexis,

Glenn Hamer, president & CEO of the Arizona Chamber of Commerce and Inudustry, will be present at the Environmental & Sustainability Summit all day on Monday.

I know that the administrator has to leave shortly after his keynote that day, but is there any room in his schedule in the morning to briefly sit down with Mr. Hamer for a meeting?

Let me know if this seems feasible at any point.

Best,

Ava Montoya

RE: 8/20/2018 Arizona Chamber of Commerce and Industry's 2018 Environmental Summit Speaking Engagement

Dear Mr. Stoker,

The Arizona Chamber of Commerce and Industry is holding its annual Environmental Summit on August 20<sup>th</sup> and 21<sup>st</sup> in Prescott, Arizona. This is an annual event attended by individuals from industry, consulting, law firms and regulators involved in industrial environmental policy and compliance.

We would like to invite you to be our keynote luncheon speaker on August 20<sup>th</sup>. Lunch will be served at 12:00 PM with your remarks beginning at 12:15 PM. You would have 30 to 45 minutes for your remarks.

This event will be held at the Prescott Resort located at 1500 East State Route 69 Prescott, AZ 86301. For more information on this event please go to the <u>Arizona Chamber's Web Page</u>.

Your participation in this event would be greatly appreciated. Please let me/us know by July 6<sup>th</sup> if you will be able to participate.

Your willingness to participate is greatly appreciated. If there are any questions or concerns, please don't hesitate to contact me at 602-350-0923.

Sincerely,

**Glenn Hamer**

On Aug 29, 2018, at 10:20 AM, Strauss, Alexis <<u>Strauss.Alexis@epa.gov</u>> wrote:

Here are the main follow-up items from the RA's trip to Arizona last week. I've noted the relevant senior manager in bold at the end of each item. Please let me know if you need more details or clarity.

**I. Chamber of Commerce:** RA wishes to invite Glenn Hamer (President, CEO, Chamber of Commerce), Juan Ciscomani (Gov. Ducey's chief of staff, co-chair of the AZ/Mex. Commission), and Jaime Molera (Az/Mex. Commission) to his early October discussions

re Nogales and AZ Border infrastructure. **Lead: Tomas, Jeff.** Let me know if you need their emails.

- Roosevelt Irrigation District/West Van Buren: attorney Dave Kimball gave RA a copy
  of a recent email to Misael Cabrera, asked for a follow-up with EPA. Lead:
  Enrique. Internal RA briefing has been set.
- **3. Superfund cleanups in NM**: attorney Mitch Klein asked for R9's assistance with EPA R6 senior managers regarding Tronox-funded site cleanups and proposed NPL listing in NM. I recommended John Lyons reach out to R6's Erin Chancellor (RA's new chief of staff) and circle back with Mr. Klein. **Lead: Enrique and John L.**
- **4. City of Phoenix**: met with Mayor Williams, Chief of Staff Seth Scott, and Environmental Programs Director Nancy Allen re
- a. Rio Salado: COP appreciates Jared Vollmer and Scott Stollman technical assistance on Rio Salado, noting challenge of reclaiming sand-and-gravel pits, landfills, etc. RA invited them to apply for next round of EPA Brownfields funds. **Lead: Tomas –** thanks to staff, remind COP re Brownfields funding timing.
- b. RID/W. Van Buren: City and SRP as water providers, want the treated groundwater to use, want to confer with us on next steps in mid-September. **Lead: Enrique.** After briefing RA, Superfund to set up briefing for Nancy Allen mid-September.
- c. Air Quality: asked for status of EPA action on exceptional events data they've submitted. Very interested in ozone-reduction strategies, that being day 42 of an ozone advisory for the valley. Worried about moderate to serious designation. **Lead: Elizabeth and Matt** to update Nancy Allen in early September.
- d. Sustainability: City very invested in its sustainability and waste-diversion goals, asked RA to tour their new compost facility when next visiting Rio Salado.

Thx, Alexis

**Subject:** LAND: AZ accomplishments for RA speech (MX border)

Hi Kelly!

Per your thread below, we are forwarding you suggested talking points for Mike's speech at the AZ Chamber of Commerce event in Prescott in mid-August. One of Land's top priorities in AZ relates to the border, as our points below reflect. If you require additional information, feel free to contact me or Hector. Thanks so much for coordinating this for us!

#### AZ Accomplishment

- In June 2018, Mike helped broker an agreement between the IBWC and State of Arizona over long-standing need to upgrading infrastructure in the Nogales Wash, the International Outfall Interceptor.
- The agreement set in motion over \$20M in federal funding towards the upgrade.

#### AZ Priorities

- Protecting the border is one of my top priorities. EPA will continue our strong partnership with local stakeholders including government and the business sector to improve the quality of life and economy for residents in the US-Mexico border region.
- One top priority for 2019 is to complete the University of Arizona's Compost Cats project, which is diverting
  produce from the Santa Cruz County landfill by first sending the best quality produce to local food banks and
  sending the rest to be composted.
- Another priority is to share the results of an important study at the Mariposa port of entry demonstrating how
  the joint inspection program by Customs and Border Protection and Mexico are improving air quality by
  dramatically reducing wait times, directly benefitting both the environment and the economy.

Subject: ACTION: RA Speech - AZ mid-August

Importance: High

Hello all -

The RA is giving a speech in mid-August at the annual meeting of the Arizona Chamber of Commerce/AZ Manufacturing Council in Prescott. Alexis is planning to accompany Mike on the trip and needs some help in preparing material for his remarks.

She has asked that each division send to me by Aug. 3 their top accomplishment in Arizona, and one priority area each program is working on there.

I will work on compiling what you send and Alexis/Amy will edit/review.

Thanks in advance and let me know if you have any questions!

Kelly

Subject: 2018 Environmental & Sustainability Summit - follow up with Administrator Stoker

Administrator Stoker,

Thank you for accepting our invitation to speak at the 2018 Environmental & Sustainability Summit. We sincerely appreciate your willingness to participate. In response to your request for information on topics that the audience may like to hear about, please find a list below.

- 1. Are there plans for having additional local State or area offices within the region opened with decision making authority?
- 2. What are your thoughts on implementing the Trump Administration's direction in Region 9 with such a wide variety of geographical, environmental and regulatory conditions?
- 3. We've heard rumors of Region 9 being divided into two separate regions. Is there any truth to this?
- 4. What is Region 9's enforcement policy in the various states in the Region? Is the Regional staff involved in significant enforcement actions or is much of this left to the states?
- 5. What is the latest information on EPA's interpretation of jurisdictional waters under the clean water act related to non-navigable waters in Arizona?

Additionally, there will be a reception hosted by the Arizona Chamber of Commerce at **5:00 PM on Monday evening, August 20**<sup>th</sup> at the Prescott Resort. Please accept our invitation to attend if your schedule allows.

Again, your participation in the event is greatly appreciated. If you have any questions or concerns, please reach out to Allison Gilbreath, executive director of the Arizona Manufacturers Council, at (480) 823-7512.

Best,
Ava Montoya

To: Strauss, Alexis [Strauss.Alexis@epa.gov]
CC: Miller, Amy [Miller.Amy@epa.gov]

**Subject**: RE: August invitation

That's their environmental summit and we will be there too...he's going to do great. There will be industry reps, attorneys and environmental consultants in attendance. The audience is fairly sophisticated and may ask good questions. In the past, EPA has been a favorite scape goat for this group, but they will likely be civil...and once they hear what Mike has to say, they should warm up to him pretty quickly.

#### Dear Misael,

Mike Stoker accepted an invitation from the Arizona Chamber of Commerce/Arizona Manufacturing Council to speak at their meeting in Prescott on August 20. He may also schedule a few other meetings later that day or next morning, given various requests. I wanted you to be aware of his planned visit to the Chamber/council, and welcome any advice or insights you may have. I may accompany him on this trip.

With thanks,

**Alexis**

Dear Mr. Stoker,

The Arizona Chamber of Commerce and Industry is holding its annual Environmental Summit on August 20<sup>th</sup> and 21<sup>st</sup> in Prescott, Arizona. This is an annual event attended by individuals from industry, consulting, law firms and regulators involved in industrial environmental policy and compliance.

We would like to invite you to be our keynote luncheon speaker on August 20<sup>th</sup>. Lunch will be served at 12:00 PM with your remarks beginning at 12:15 PM. You would have 30 to 45 minutes for your remarks.

This event will be held at the Prescott Resort located at 1500 East State Route 69
Prescott, AZ 86301. For more information on this event please go to the Arizona Chamber's Web Page.

Your participation in this event would be greatly appreciated. Please let me know by July 6<sup>th</sup> if you will be able to participate.

Best, Julie

Hi Alexis,

I've attached the spreadsheets that provide detail for ORA travel:

RA Stoker only; ORA FY 2018 (10/01/17-9/24/18); and ORA (5/22/18-9/24/18).

I've also included the summary-level screen shots for RA Blumenfeld's travel for his last full year and the partial last year he was here.

I'll send you the information for RA Blumenfeld's first year (01/09/09-09/30/09).

Thanks,

Kat, 2-3714

(SPDW5G)

### Hi Alexis.

There were no rooms available at the gov't rate for your entire stay at the Renaissance Phoenix-Downtown. Reservation were made for you and the RA at the Sheraton Grand-Phoenix, govt rate. I have attached your airline itinerary and reserved a Hertz-Gold compact rental car.

Laura, please see the hotel confirmation attached you will need to contact the hotel and switch the credit card hold from Alexis Hacker to the RA's.

Thank you

\*\*\*\*\*\*\*\*

Linda Moore Water Division, Executive Staff Assistant US EPA Region 9 75 Hawthorne Street San Francisco, CA 94105 (415) 972-3745 - work (415) 972-3549 - fax moore.linda@epa.gov

Please prepare your FOIA response a day in advance.

Documents needing to be uploaded into FOIAOnline must be received by 2:00 p.m. for same day close-out.

From: Strauss, Alexis

Subject: FW: Arizona Travel

Linda, could you please prepare a TA for me, for the same trip purposes shown below? Leave Sunday Aug 19 and return Tuesday Aug 21?

If possible, could you find out if the Renaissance Phoenix Downtown Hotel (602-333-0000) has govt rate rooms, and if so, could you please make a reservation for me and for the RA, cc Laura C?

Alternative is the Sheraton Grande in Phoenix.

If possible, a Hertz Gold rental car, compact is fine.

Flights: there's a nonstop at 4:45 pm on Sunday from Oakland to Phoenix, and a nonstop return from Phoenix on Tuesday departing at 3 pm.

With thanks, Alexis

Alexis Strauss E.P.A. Region 9 75 Hawthorne Street From: Strauss, Alexis

### Laura,

Over the coming week, could you please prepare a TA for the RA to

- 1) address the Arizona Chamber of Commerce and Arizona Manufacturing Council on Monday August 20 in Prescott, AZ? He will need to arrive into Phoenix the evening prior, and we'd overnight in Phoenix and leave very early for Prescott via rental car (2+ hour drive). Mike will give a speech in Prescott, and then we'll drive back to Phoenix mid-afternoon to the same hotel, and
- 2) on Tuesday, meet with the Mayor of Phoenix, then with Sen. McCain's office, and thirdly with Rosemont Mine representatives.

We'll both return to the airport early afternoon and fly home. I'll work with Linda on my travel arrangements and suggest a hotel, I'll obtain a rental car. Can you forward to Deborah the cost comparison of other-than-duty-station travel? I recall it is also possible to fly Santa Barbara/Phoenix and leave the options in your capable hands. Thanks, Alexis

Alexis Strauss E.P.A. Region 9 75 Hawthorne Street San Francisco, CA 94105 415-972-3572

#### YOUR PRIVACY

If you believe this reservation was made in error, please contact us as soon as possible.

Please note: For security purposes, you will be asked to provide a valid government or state-issued photo ID at check-in.

This email may contain links to websites that collect personally identifiable information about you. Marriott International, Inc. is not responsible or liable for the actions of such independent websites, and encourages you to review the privacy statements and policies of such websites to understand how they collect, use and store such information.

Click here for our Privacy Statement.

#### **DISCLOSURE**

#### Modify and Cancel Information

To view, change or cancel your reservation, please visit sheraton com. Any modification to a reservation is subject to the hotel's availability at the time the modification is requested and may change the rate

and/or require payment of cancellation fees. If you require further assistance, please contact Sheraton Hotels & Resorts at 800-326-3636 if you are calling from the United States or Canada. Otherwise, click here for the telephone number of the Worldwide Reservation Office nearest you. Please note that reservations cannot be changed or canceled via email.

#### Guarantee Rules

For reservations guaranteed with a form of payment at time of booking, rooms are held until hotel checkout time the day following arrival. For reservations not guaranteed with a form of payment at time of booking, rooms are held until set cancellation time per the rules of the reservation. In the event more guests arrive than can be accommodated due to hotel overbooking or an unforeseen circumstance, and hotel is unable to hold rooms consistent with this room hold policy, hotel will attempt to accommodate guests, at its expense, at a comparable hotel in the area for the oversoid night(s), and will pay for transportation to that hotel.

### Package Handling Policy

There is a package handling fee for all incoming packages. Please contact the hotel directly for the exact charge.

#### Smoking Policy

Sheraton Grand Phoenix is a 100% smoke-free environment. A \$200 charge will be assessed per occurrence of smoking on the premises.

#### Exchange Rate

For non-US hotels, rates confirmed in USD may be converted to local currency by the hotel at your time of stay, based on the exchange rate used by the hotel and are subject to exchange rate fluctuations. Credit card charges are subject to additional currency conversions by banks or credit card companies, which are not within the hotel's control and may impact the amount charged to your credit card. Please contact the hotel if you have any questions.

#### Rate/Reservation Validity

Please note that electronic reservation confirmations are provided to you solely for your convenience and that we retain official records of our reservation transactions, including details of dates of stay and room rates. In the event of discrepancies, alterations, modifications, or variations between this confirmation and our official records, our official records shall control. Tampering with this confirmation to after the room rate, or any other reservation information is strictly prohibited and may have legal consequences.

### Early Departure

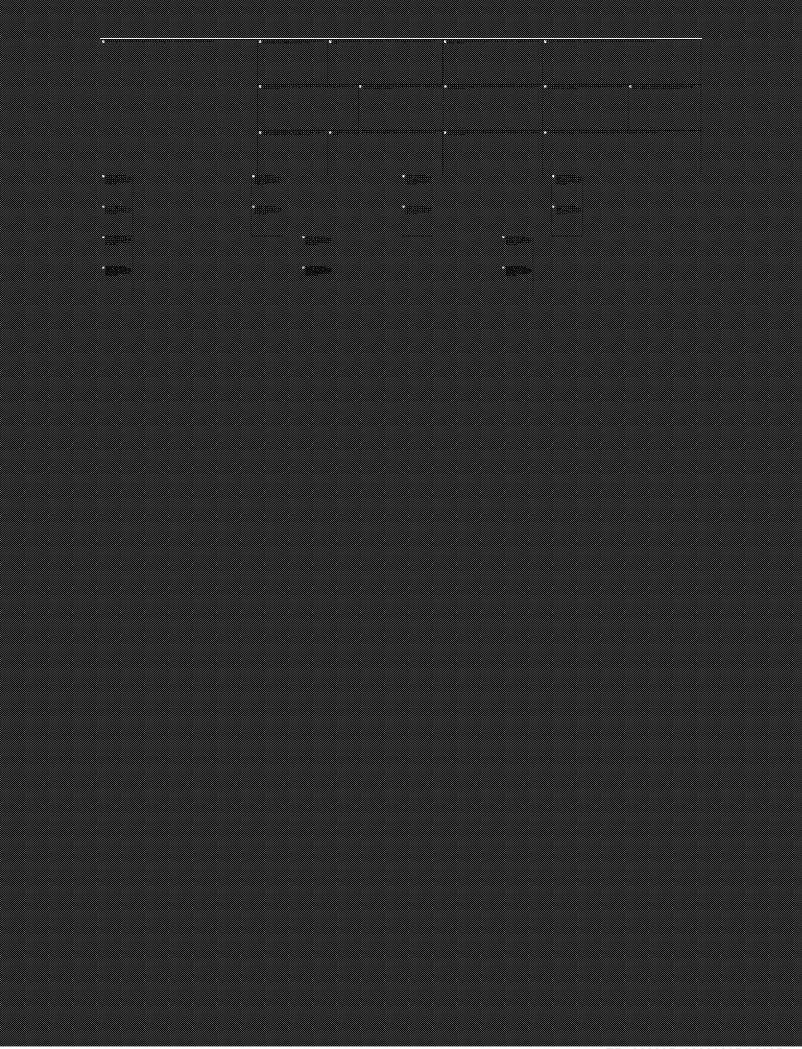

Many Starwood hotels have an early departure fee. When you check-in, you will be asked to confirm your departure date. You may be able to change your departure date without a penalty if your rate plan permits and if you do so before the end of your arrival day. After reconfirming your departure date, if you decide to leave earlier, you may be charged the early departure fee. Please contact the hotel if you have any questions.

#### EMV/Chip & PIN Credit Card Policy

Please be aware this hotel is EMV/Chip & PIN ready and your credit card's PIN may be necessary for you to check-in to the hotel. If you are not aware of the PIN for your chip credit card, or you are unsure if your card requires a PIN, please contact the financial institution that issued your credit card for clarity and to secure your PIN.

This is a post only e-mail. Please do not reply to this message.

Subject: Re: Administrator Stoker meeting with Glenn Hamer

Alexis, please find below proposed questions for the administrator. Please feel free to revise and make changes as you deem necessary.

### Questions:

The area under your responsibility in Region 9 spans 8 time zones and nearly every climate you can think of. Can you talk a bit about some of the unique environmental challenges that the region faces compared to other parts of the country?

Any exciting approaches you can tell us about that your office is taking to address these challenges?

Agri-business is clearly a cornerstone industry in Arizona. How has your background in the agricultural industry informed how you approach issues at the EPA?

We're at a crucial point in our state when it comes to environmental and resource policy, what will be the focus of your message to the folks in the room at today's conference, who are at the forefront of these critical issues in Arizona.

Dear Ms. Montoya,

Could you please send the proposed questions for Mr. Stoker's consideration? He is travelling in the far western Pacific, and may not have email access. We can tentatively set an II am time for him and Mr. Hamer to meet on Monday in Prescott.

Kind regards,

**Alexis**

Subject: Re: Administrator Stoker meeting with Glenn Hamer

Alexis,

Given that Glenn will be moderating the panel beginning immediately after the 2 pm break, I think it would be best to meet prior to lunch.

Also, would the administrator be willing to do a quick interview for Glenn's Facebook Live stream? It is something that he likes to do with high level guests and legislators when given the opportunity. We would of course provide questions in advance and give the administrator final approval. If this is something he would be willing to do please let me know so we can budget time for it and provide your team with all of the necessary information.

Best.

Subject: Administrator Stoker meeting with Glenn Hamer

Hello Alexis,

Glenn Hamer, president & CEO of the Arizona Chamber of Commerce and Inudustry, will be present at the Environmental & Sustainability Summit all day on Monday.

I know that the administrator has to leave shortly after his keynote that day, but is there any room in his schedule in the morning to briefly sit down with Mr. Hamer for a meeting?

Let me know if this seems feasible at any point.

Best,

Ava Montoya

Subject: 2018 Environmental & Sustainability Summit - follow up with Administrator Stoker

Administrator Stoker,

Thank you for accepting our invitation to speak at the 2018 Environmental & Sustainability Summit. We sincerely appreciate your willingness to participate. In response to your request for information on topics that the audience may like to hear about, please find a list below.

- 1. Are there plans for having additional local State or area offices within the region opened with decision making authority?
- 2. What are your thoughts on implementing the Trump Administration's direction in Region 9 with such a wide variety of geographical, environmental and regulatory conditions?
- 3. We've heard rumors of Region 9 being divided into two separate regions. Is there any truth to this?
- 4. What is Region 9's enforcement policy in the various states in the Region? Is the Regional staff involved in significant enforcement actions or is much of this left to the states?
- 5. What is the latest information on EPA's interpretation of jurisdictional waters under the clean water act related to non-navigable waters in Arizona?

Additionally, there will be a reception hosted by the Arizona Chamber of Commerce at **5:00 PM on Monday evening, August 20**<sup>th</sup> at the Prescott Resort. Please accept our invitation to attend if your schedule allows.

Again, your participation in the event is greatly appreciated. If you have any questions or concerns, please reach out to Allison Gilbreath, executive director of the Arizona Manufacturers Council, at (480) 823-7512.

#### Laura,

Over the coming week, could you please prepare a TA for the RA to

- 1) address the Arizona Chamber of Commerce and Arizona Manufacturing Council on Monday August 20 in Prescott, AZ? He will need to arrive into Phoenix the evening prior, and we'd overnight in Phoenix and leave very early for Prescott via rental car (2+ hour drive). Mike will give a speech in Prescott, and then we'll drive back to Phoenix mid-afternoon to the same hotel, and
- 2) on Tuesday, meet with the Mayor of Phoenix, then with Sen. McCain's office, and thirdly with Rosemont Mine representatives.

We'll both return to the airport early afternoon and fly home. I'll work with Linda on my travel arrangements and suggest a hotel, I'll obtain a rental car. Can you forward to Deborah the cost comparison of other-than-duty-station travel? I recall it is also possible to fly Santa Barbara/Phoenix and leave the options in your capable hands. Thanks, Alexis

Linda, could you please prepare a TA for me, for the same trip purposes shown below? Leave Sunday Aug 19 and return Tuesday Aug 21?

If possible, could you find out if the Renaissance Phoenix Downtown Hotel (602-333-0000) has govt rate rooms, and if so, could you please make a reservation for me and for the RA, cc Laura C? Alternative is the Sheraton Grande in Phoenix.

If possible, a Hertz Gold rental car, compact is fine.

Flights: there's a nonstop at 4:45 pm on Sunday from Oakland to Phoenix, and a nonstop return from Phoenix on Tuesday departing at 3 pm.

With thanks, Alexis

Can you forward to Deborah the cost comparison of other-than-duty-station travel? I recall it is also possible to fly Santa Barbara/Phoenix and leave the options in your capable hands.

Thanks, Alexis

#### Mike

I made further edits after Amy, Kelly and Deborah reviewed. I'm sending you anew the draft text, and bringing paper copies in case you want to pen other changes. I hope your long journey home has gone smoothly, and that you'll have time to relax before flying to Phoenix Sunday afternoon.

Alexis

I THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES. ALTHOUGH THERE WAS MUCH SPECULATION EARLIER ABOUT MAJOR ORGANIZATIONAL CHANGE, I BELIEVE OUR CURRENT STRUCTURE WILL REMAIN AND SERVE US WELL.

I AM VERY FOCUSED ON

- THE MEXICAN BORDER, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- TRIBES. WITH 148 TRIBES, I'VE ALREADY VISITED GILA AND SALT RIVER TRIBES HERE IN ARIZONA, AS WELL AS SEVERAL CALIFORNIA TRIBES.
  - I'LL SOON BE HOSTING A MAJOR ANNUAL GATHERING OF ALL OUR TRIBES. AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA HAS UNIQUE TRUST AND FINANCIAL RESPONSIBILITIES.
- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER, OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS NEEDING RELIABLE DRINKING WATER.

- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT, AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE SIGNING OF THE RECORD OF DECISION FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

PAGE 2

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

**IN THE WATER PROGRAMS**, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT. WE PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL.

ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM, THUS WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

WATERS OF THE US HAS BEEN AN IMPORTANT ISSUE FOR ME, LONG BEFORE COMING TO EPA. THERE IS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

PAGE 3

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE

AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED.

HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS.

WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO, FOR EXAMPLE, BY REDUCING WAIT TIMES AT THE PORTS OF ENTRY FOR VEHICLES AND PEOPLE.

#### PAGE 4

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NINE NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC HAVE POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

IN COMPLIANCE AND ENFORCEMENT, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE JOINTLY CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

## THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED:

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.

PAGE 5

I'M DELIGHTED TO BE WITH YOU TODAY.

TOMORROW YOU'LL HEAR FROM ARIZONA'S OWN HENRY DARWIN, WHO IS SERVING AS EPA'S ACTING DEPUTY ADMINISTRATOR. WE ARE WORKING CLOSELY TOGETHER TO ADOPT MANY OF THE EFFICIENT PRACTICES OF LEAN-SIX SIGMA INVESTMENTS THROUGH HENRY'S LEADERSHIP.

PLEASE FEEL WELCOME TO CONTACT ME, THOUGH EMAIL OR MY CELL PHONE. I LOOK FORWARD TO WORKING WITH YOU.

To: Moore, Linda [Moore.Linda@epa.gov]

Subject: FW: Arizona Travel

Linda, could you please prepare a TA for me, for the same trip purposes shown below? Leave Sunday Aug 19 and return Tuesday Aug 21?

If possible, could you find out if the Renaissance Phoenix Downtown Hotel (602-333-0000) has govt rate rooms, and if so, could you please make a reservation for me and for the RA, cc Laura C?

Alternative is the Sheraton Grande in Phoenix.

If possible, a Hertz Gold rental car, compact is fine.

Flights: there's a nonstop at 4:45 pm on Sunday from Oakland to Phoenix, and a nonstop return from Phoenix on Tuesday departing at 3 pm.

With thanks, Alexis

#### Laura,

Over the coming week, could you please prepare a TA for the RA to

- 1) address the Arizona Chamber of Commerce and Arizona Manufacturing Council on Monday August 20 in Prescott, AZ? He will need to arrive into Phoenix the evening prior, and we'd overnight in Phoenix and leave very early for Prescott via rental car (2+ hour drive). Mike will give a speech in Prescott, and then we'll drive back to Phoenix mid-afternoon to the same hotel, and
- 2) on Tuesday, meet with the Mayor of Phoenix, then with Sen. McCain's office, and thirdly with Rosemont Mine representatives.

We'll both return to the airport early afternoon and fly home. I'll work with Linda on my travel arrangements and suggest a hotel, I'll obtain a rental car. Can you forward to Deborah the cost comparison of other-than-duty-station travel? I recall it is also possible to fly Santa Barbara/Phoenix and leave the options in your capable hands. Thanks, Alexis

Subject: Re: Administrator Stoker meeting with Glenn Hamer

Alexis.

Given that Glenn will be moderating the panel beginning immediately after the 2 pm break, I think it would be best to meet prior to lunch.

Also, would the administrator be willing to do a quick interview for Glenn's Facebook Live stream? It is something that he likes to do with high level guests and legislators when given the opportunity. We would of course provide questions in advance and give the administrator final approval. If this is something he would be willing to do please let me know so we can budget time for it and provide your team with all of the necessary information.

Best.

Subject: Administrator Stoker meeting with Glenn Hamer

Hello Alexis,

Glenn Hamer, president & CEO of the Arizona Chamber of Commerce and Inudustry, will be present at the Environmental & Sustainability Summit all day on Monday.

I know that the administrator has to leave shortly after his keynote that day, but is there any room in his schedule in the morning to briefly sit down with Mr. Hamer for a meeting?

Let me know if this seems feasible at any point.

Best,
Ava Montoya

Attachments: AZ speech.docx

I THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES. ALTHOUGH THERE WAS MUCH SPECULATION EARLIER ABOUT MAJOR ORGANIZATIONAL CHANGE, I BELIEVE OUR CURRENT STRUCTURE WILL REMAIN AND SERVE US WELL.

## I AM VERY FOCUSED ON

- **THE MEXICAN BORDER**, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- **TRIBES.** WITH 148 TRIBES, I'VE ALREADY VISITED GILA AND SALT RIVER TRIBES HERE IN ARIZONA, AS WELL AS SEVERAL CALIFORNIA TRIBES.
- I'LL SOON BE HOSTING A MAJOR ANNUAL GATHERING OF ALL OUR TRIBES.
  AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA
  UNIQUE TRUST AND FINANCIAL RESPONSIBILITIES.

\_

- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER, OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS NEEDING RELIABLE DRINKING WATER.
- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT, AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE SIGNING OF THE RECORD OF DECISION FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

IN THE WATER PROGRAMS, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT.

WE CONTINUE TO PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL. ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM, THUS WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

WATERS OF THE US HAS BEEN AN IMPORTANT ISSUE FOR ME, LONG BEFORE COMING TO EPA. THERE IS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED.

HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. OZONE HAS IMPROVED SINCE 1990, THOUGH HAS SEEN A SLIGHT INCREASE IN RECENT YEARS, POSSIBLY DUE TO A COMBINATION OF FACTORS, INCLUDING POPULATION, VEHICLE MILES DRIVEN, AND WEATHER CONDITIONS. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS. WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO, FOR EXAMPLE, BY REDUCING WAIT TIMES AT THE PORTS OF ENTRY FOR VEHICLES AND PEOPLE.

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NINE NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC HAVE POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

IN COMPLIANCE AND ENFORCEMENT, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE JOINTLY CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

## THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED:

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.

#### PAGE 5

- TRIBES: EPA IS RESPONSIBLE FOR TRIBES COMPLIANCE WITH ENVIRONMENTAL AND PUBLIC HEALTH REQUIREMENTS, AND BRINGS FORMAL ENFORCEMENT ACTIONS THERE AS WELL.

I'M DELIGHTED TO BE WITH YOU TODAY. TOMORROW YOU'LL HEAR FROM ARIZONA'S OWN HENRY DARWIN, WHO IS SERVING AS EPA'S ACTING DEPUTY ADMINISTRATOR. WE ARE WORKING CLOSELY TOGETHER TO ADOPT MANY OF THE EFFICIENT PRACTICES OF LEAN-SIX SIGMA INVESTMENTS THROUGH HENRY'S LEADERSHIP.

PLEASE FEEL WELCOME TO CONTACT ME, THOUGH EMAIL OR MY CELL PHONE. I LOOK FORWARD TO WORKING WITH YOU.

Subject: Administrator Stoker meeting with Glenn Hamer

Hello Alexis,

Glenn Hamer, president & CEO of the Arizona Chamber of Commerce and Inudustry, will be present at the Environmental & Sustainability Summit all day on Monday.

I know that the administrator has to leave shortly after his keynote that day, but is there any room in his schedule in the morning to briefly sit down with Mr. Hamer for a meeting?

Let me know if this seems feasible at any point.

Best,

Ava Montoya

Subject: 2018 Environmental & Sustainability Summit - follow up with Administrator Stoker

Administrator Stoker,

Thank you for accepting our invitation to speak at the 2018 Environmental & Sustainability Summit. We sincerely appreciate your willingness to participate. In response to your request for information on topics that the audience may like to hear about, please find a list below.

- 1. Are there plans for having additional local State or area offices within the region opened with decision making authority?
- 2. What are your thoughts on implementing the Trump Administration's direction in Region 9 with such a wide variety of geographical, environmental and regulatory conditions?
- 3. We've heard rumors of Region 9 being divided into two separate regions. Is there any truth to this?
- 4. What is Region 9's enforcement policy in the various states in the Region? Is the Regional staff involved in significant enforcement actions or is much of this left to the states?
- 5. What is the latest information on EPA's interpretation of jurisdictional waters under the clean water act related to non-navigable waters in Arizona?

Additionally, there will be a reception hosted by the Arizona Chamber of Commerce at **5:00 PM on Monday evening, August 20**<sup>th</sup> at the Prescott Resort. Please accept our invitation to attend if your schedule allows.

Again, your participation in the event is greatly appreciated. If you have any questions or concerns, please reach out to Allison Gilbreath, executive director of the Arizona Manufacturers Council, at (480) 823-7512.

Best,
Ava Montoya

Sina Matthes Office of Mayor Thelda Williams

Sina -

Hope you are doing well and that the transition for Mayor Thelda Williams has gone well. I have learned that EPA Regional Administrator Mike Stoker will be in Phoenix on Tuesday, August 21<sup>st</sup> and would like to see if a meeting with Mayor Thelda Williams for either **9:00am or 10:00am on Tuesday, August 21<sup>st</sup>** might be possible. I look forward to hearing back from you.

Mike Stoker serves as the Regional Administrator for the U.S. Environmental Protection Agency's Region 9, based in San Francisco, Calif. He leads the Agency's efforts in **Arizona**, California, Hawaii, Nevada, the Pacific islands (including Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands), and 148 tribal nations. The region spans eight time zones and is home to more than 50 million people.

Mr. Stoker has spent his career serving the public and working as an attorney specializing in agriculture, labor, land use and environmental law. He most recently served as director of government affairs for UnitedAg, the second largest agricultural association in California. Mr. Stoker was a member of Santa Barbara County's Board of Supervisors from 1986-1994, chairman of the California Agricultural Labor Relations Board from 1995-2000, and California deputy secretary of state from 2000-2002.

In addition, Mr. Stoker served on the Southern California Hazardous Waste Management Board of Directors from 1990 to 1994, as chairman of the Santa Barbara County Association of Governments from 1991 to 1993, and as chairman of the Santa Barbara County Air Pollution Control District from 1992 to 1994. He has also served on the boards of several community organizations. Mr. Stoker received his Bachelor of Arts degree

magna cum laude from the University of California at Berkeley and his Juris Doctorate degree from Loyola Law School in Los Angeles.

Will -

I wanted to reach out to you regarding our new U.S. EPA Regional Administrator Mike Stoker's interest in scheduling a meeting with Mayor Greg Stanton as he will be in the Phoenix area and has some time available on **Thursday, June** 7<sup>th</sup> in the afternoon before 4:00pm. Regional Administrator Mike Stoker began his

appointment as Regional Administrator on Monday, May 21, 2018. I am including a biography below for your reference.

Mike is looking forward to his upcoming travel to Arizona and the possibility of a meeting with Mayor Greg Stanton. Please give me a call if you have any questions or need any additional information.

I look forward to hearing back from you on the potential for a meeting on the afternoon of Thursday, June 7<sup>th</sup>.

Draft speech for next Monday – would be grateful for any edits you'd suggest. Have also sent to DJ and AM.

I THANK THE ARIZONA CHAMBER OF COMMERCE AND INDUSTRY, AND THE ARIZONA MANUFACTURING COUNCIL, FOR INVITING ME TO JOIN YOU.

I'M APPROACHING THE 3-MONTH MARK AS THE EPA REGIONAL ADMINISTRATOR, WITH A REGION COVERING 8 TIME ZONES, 148 TRIBES, 3 TERRITORIES, AND OUR 4 SOUTHWESTERN STATES.

I'VE BEEN TO ALL OUR FIELD OFFICES – IN HONOLULU, SAN DIEGO AND LOS ANGELES – AND AM GLAD TO SEE OUR STAFF'S WORK IN SUPPORT OF THIS ADMINISTRATION'S PRIORITIES.

# I AM VERY FOCUSED ON

- THE MEXICAN BORDER, WORKING HERE WITH MISAEL AT ADEQ TO MAKE A DIFFERENCE IN NOGALES, IN NACO, AND ALL ALONG THE BORDER.
- TRIBES. WITH 148 TRIBES, I'VE ALREADY VISITED SEVERAL TRIBES AND WILL SOON BE HOSTING A MAJOR ANNUAL GATHERING. AS WITH THE BORDER, OUR TRIBES HAVE UNIQUE NEEDS, AND EPA UNIQUE TRUST AND FINANCNIAL RESPONSIBILITIES.
- PACIFIC ISLAND TERRITORIES: I'VE JUST RETURNED FROM A WEEK IN
  AMERICAN SAMOA, AND LAST MONTH HOSTED AN ANNUAL MEETING OF
  ALL OUR PACIFIC ISLAND DIRECTORS. AS WITH TRIBES AND THE BORDER,
  OUR TERRITORIES ARE ISLANDS WITH UNIQUE VULNERABILITIES, SUCH AS
  NEEDING RELIABLE DRINKING WATER, WHILE SERVING OUR COUNTRY'S
  STRATEGIC INTERESTS.
- SUPERFUND CLEAN-UPS. THE ADMINISTRATOR'S SUPERFUND TASK FORCE GIVES NATIONAL DIRECTION TO EXPEDITE CLEANUPS, ENCOURAGE PRIVATE INVESTMENT, AND PROMOTE REDEVELOPMENT AND COMMUNITY REVITALIZATION. I WAS PLEASED TO HOST THE REMEDY SIGNING FOR A MAJOR CALIFORNIA LANDFILL, CASMALIA, WHICH I HAD WORKED TO PUT ON THE NATIONAL PRIORITIES LIST EARLIER IN MY CAREER AS A SANTA BARBARA COUNTY SUPERVISOR.

MANY OF YOU ARE INTERESTED IN HEARING ABOUT OUR REGIONAL PRIORITIES. I'D LIKE TO GIVE YOU A FEW HIGHLIGHTS:

IN COMPLIANCE AND ENFORCEMENT, WE ENJOY A VERY PRODUCTIVE AND POSITIVE RELATIONSHIP WITH OUR ADEQ COLLEAGUES, WHO ARE ALSO HERE TODAY. OUR ENFORCEMENT APPROACH ENSURES OUR STATES LEAD THE PROGRAMS FOR WHICH THEY ARE DELEGATED. EPA SUPPORT AND OVERSIGHT IS TAILORED TO EACH PROGRAM'S STRENGTHS, STAFFING AND NEEDS. WE HAVE A VERY ACTIVE COMPLIANCE PRESENCE IN ALL OUR STATES AND TERRITORIES, AND IN INDIAN COUNTRY, CONDUCTING INSPECTIONS, AND BRINGING ADMINISTRATIVE AND JUDICIAIL ACTIONS.

IN SOME PROGRAMS, WE SHARE RESPONSIBILITIES, FOR EXAMPLE, IN ARIZONA THIS PAST YEAR, WE BOTH CONDUCTED CLEAN WATER ACT INSPECTIONS TO ENSURE INDUSTRIAL DISCHARGER COMPLIANCE WITH PRETREATMENT REQUIREMENTS. EPA TOOK ENFORCEMENT ACTIONS TO ADDRESS VIOLATIONS AND WORKS CLOSELY WITH ADEQ WHEN WE DO SO.

# THERE ARE SOME PROGRAMS WHICH ARE NOT STATE-DELEGATED.

- EPA TOOK ACTIONS TO BRING ARIZONA RENOVATORS INTO COMLIANCE WITH THE FEDERAL RULE ON LEAD RENOVATION, REPAIR AND PAINTING.
- WE ARE ALSO FOCUSED ON REDUCING THE RISK OF ACCIDENTAL RELEASE FROM CHEMICAL FACILITIES, A CLEAN AIR ACT PROGRAM NOT DELEGATED TO STATES. WE ARE FOLLOWING UP WITH VARIOUS ARIZONA FACILITIES TO ENSURE THEIR PLANS AND PRACTICES ARE DESIGNED TO PROTECT WORKERS AND NEARBY COMMUNITIES.
- TRIBES: EPA IS RESPONSIBLE FOR TRIBES COMPLIANCE WITH ENVIRONMENTAL AND PUBLIC HEALTH REQUIREMENTS, AND BRINGS FORMAL ENFORCEMENT ACTIONS THERE AS WELL.

IN THE WATER PROGRAMS, WE SHARE MANY PRIORITIES WITH ADEQ, WHICH HAS DONE AN EXEMPLARY JOB TO ENSURE SCHOOLS AND OTHER FACILITIES HAVE SAMPLED FOR LEAD IN DRINKING WATER AND ARE MEETING DRINKING WATER STANDARDS.

TOGETHER WE WANT ALL SYSTEMS, INCLUDING THOSE IN SMALL, RURAL COMMUNITIES, TO SERVE SAFE DRINKING WATER AND PROVIDE RELIABLE WASTEWATER TREATMENT.

WE CONTINUE TO PROVIDE A LARGE ANNUAL GRANT TO THE STATE IN SUPPORT OF DRINKING WATER AND WASTEWATER INFRASTRUCTURE RENEWAL. THIS YEAR'S GRANT EXCEEDS \$30 MILLION, WHICH WILL IN TURN LEVERAGE LOCAL INVESTMENT AND JOBS TO UPGRADE DRINKING WATER AND WASTEWATER SYSTEMS.

EPA ALSO ISSUES UNDERGROUND INJECTION PERMITS, TYPICALLY FOR MINING OPERATIONS IN ARIZONA. WE ARE PRESENTLY WORKING WITH FACILITIES WHOSE EPA PERMITS ARE UNDER APPEAL. ADEQ IS INTERESTED IN TAKING ON RESPONSIBILITY FOR THIS PROGRAM, AND THE WETLANDS PROGRAM, THUS WE'LL BE WORKING TOGETHER THE NEXT FEW YEARS AS THEY APPLY FOR DELEGATION AND BUILD UP THE STAFFING AND EXPERTISE NEEDED TO TAKE ON THESE PROGRAMS.

THERE IS ALWAYS A GREAT DEAL OF INTEREST IN THE SCOPE OF THE EPA AND CORPS OF ENGINEERS JURISDICTION OVER SURFACE WATERS. AT THE NATIONAL LEVEL, THE AGENCIES ARE ENGAGED IN A PHASED RULEMAKING, TO FIRST REMOVE THE 2015 REGULATORY DEFINITION, AND THEN TO ISSUE A NEW DEFINITION. THAT PROCESS WILL ALSO ENGENDER MORE LEGAL CHALLENGE, LIKE THE STILL-PENDING CASES OVER THE 2015 RULE ISSUED UNDER THE OBAMA ADMINISTRATION.

THE LITIGATION WILL TAKE YEARS TO RESOLVE, AND THUS THE ULTIMATE NATURE OF THE NEW WOTUS DEFINITION WILL NOT BE KNOWN FOR SOME TIME. IN THE INTERIM, THE AGENCIES ADDED A 2020 APPLICABILITY DATE TO THE 2015 RULEMAKING, SO THE STATUS QUO WOULD CONTINUE UNTIL THE NEW RULEMAKING WOULD BE COMPLETED.

HOWEVER, JUST THIS PAST WEEK, THAT APPLICABILITY DATE WAS ENJOINED NATIONWIDE, POTENTIALLY RESURRECTING THE APPLICABILITY OF THE 2015 RULE. MEANWHILE, WE CONTINUE TO WORK CLOSELY WITH THE CORPS AT THE LOCAL LEVEL TO ADDRESS PERMITTING AND ENFORCEMENT CONSISTENT WITH CURRENT REQUIREMENTS.

IN THE AIR PROGRAMS, OVER THE PAST FOUR DECADES, EMISSIONS OF THE SIX MOST COMMON POLLUTANTS HAVE DROPPED BY 73 PERCENT NATIONALLY. THIS PROGRESS OCCURRED AS THE ECONOMY AND POPULATION HAVE CONTINUED TO GROW, AND ENERGY USE AND MILES DRIVEN HAVE INCREASED.

IN ARIZONA, WE WORK CLOSELY WITH ADEQ TO BRING CLEANER AIR TO ALL COMMUNITIES, WITH AN EMPHASIS ON OZONE, PARTICULATES, LEAD AND SULFUR DIOXIDE. OZONE HAS IMPROVED SINCE 1990, THOUGH HAS SEEN A SLIGHT INCREASE IN RECENT YEARS, POSSIBLY DUE TO A COMBINATION OF FACTORS, INCLUDING POPULATION, VEHICLE MILES DRIVEN, AND WEATHER CONDITIONS. WE ARE WORKING CLOSELY WITH ADEQ ON A PLAN TO REDUCE OZONE LEVELS IN PHOENIX AND YUMA.

WE HAVE ACTED ON AIR-QUALITY IMPROVEMENT PLANS FROM ADEQ FOR LEAD IN HAYDEN, AND SULFUR DIOXIDE IN MIAMI, SAN MANUEL AND DOUGLAS. WE WORK TOGETHER ON PARTICULATE MATTER POLLUTION IN YUMA AND OTHER AREAS WITH A GOAL OF MEETING HEALTH-BASED STANDARDS.

WE HAVE INVESTED IN REPLACING OLDER, DIRTIER SCHOOL BUSES WITH NEW VEHICLES RUNNING ON CLEANER FUELS. WE ARE WORKING IN PHOENIX ON REPLACEMENT OF WOOD STOVES WITH CLEANER MODELS. WE WANT TO REDUCE THE IMPACTS OF AIR POLLUTION FROM MEXICO.

WE'LL CONTINUE TO INVEST IN ARIZONA IN ADDRESSING CONTAMINATION UNDER OUR SUPERFUND AND BROWNFIELDS PROGRAMS, AT NPL SITES AND OTHER DISTRESSED PROPERTIES.

AT THE IRON KING HUMBOLDT SMELTER, A SITE ON THE NPL, WE TESTED OVER 600 RESIDENTIAL PROPERTIES, AND COMPLETED CLEAN-UPS OF 50 PROPERTIES WHERE LEAD AND ARSENIC POSED AN UNACCEPTABLE RISK TO FAMILIES.

WE'RE NOW LOOKING AT OPTIONS FOR 30 OTHER NONRESIDENTIAL AREAS TO COMPLEMENT THE TOWN'S PLANS FOR THIS AREA.

WE'VE INVESTED OVER 17 MILLION DOLLARS IN ARIZONA COMMUNITIES THROUGH OUR BROWNFIELDS GRANTS. IN PHOENIX AND GLOBE, EPA, ADEQ AND LOCAL PARTNERS ASSESED CONTAMINATED PROPERTIES, REMOVED WASTE, AND MADE LOCAL REDEVELOPMENT POSSIBLE.

Subject: 2018 Environmental & Sustainability Summit - follow up with Administrator Stoker

Administrator Stoker,

Thank you for accepting our invitation to speak at the 2018 Environmental & Sustainability Summit. We sincerely appreciate your willingness to participate. In response to your request for information on topics that the audience may like to hear about, please find a list below.

- 1. Are there plans for having additional local State or area offices within the region opened with decision making authority?
- 2. What are your thoughts on implementing the Trump Administration's direction in Region 9 with such a wide variety of geographical, environmental and regulatory conditions?
- 3. We've heard rumors of Region 9 being divided into two separate regions. Is there any truth to this?
- 4. What is Region 9's enforcement policy in the various states in the Region? Is the Regional staff involved in significant enforcement actions or is much of this left to the states?
- 5. What is the latest information on EPA's interpretation of jurisdictional waters under the clean water act related to non-navigable waters in Arizona?

Additionally, there will be a reception hosted by the Arizona Chamber of Commerce at **5:00 PM on Monday evening, August 20**<sup>th</sup> at the Prescott Resort. Please accept our invitation to attend if your schedule allows.

Again, your participation in the event is greatly appreciated. If you have any questions or concerns, please reach out to Allison Gilbreath, executive director of the Arizona Manufacturers Council, at (480) 823-7512.

Best,
Ava Montoya

**Subject**: August invitation

#### Dear Misael,

Mike Stoker accepted an invitation from the Arizona Chamber of Commerce/Arizona Manufacturing Council to speak at their meeting in Prescott on August 20. He may also schedule a few other meetings later that day or next morning, given various requests. I wanted you to be aware of his planned visit to the Chamber/council, and welcome any advice or insights you may have. I may accompany him on this trip.

With thanks,

**Alexis**

**Subject**: August, Arizona

#### Mike,

We are travelling to Phoenix the afternoon/evening of Sunday, August 19, and driving up to Prescott (two hours), to meet with the Arizona Chamber of Commerce and Arizona Manufacturing Council on Monday, August 20. You are the keynote speaker at their conference. In the afternoon, we'll drive back to Phoenix. You are available to meet with Austin later in the day (anytime from 4 pm on) or on Tuesday, August 21 in Phoenix. I'd be glad to support you on this trip.

Depending on that meeting (to be scheduled with Freeport McMoran and Sen. McCain's office), I could also schedule a meeting with the interim Mayor of Phoenix on Tuesday.

I need to fly you back to So. Cal. later on Tuesday for a Wednesday, August 22 8 am flight to Arcata – you'll be doing a local government event in Eureka/Arcata around our massive Superfund cleanup of the Samoa Pulp Mill, and Brownfields renewal. This latter trip is a two-day (Wed/Thurs) being organized by Enrique and John.

**Subject**: Freeport McMoran

#### Mike,

Sylvia is following up with the Arizona Dept. of Water Resources chief counsel with regard to Freeport McMoran's interest in its three mines' water rights, and possible support for Arizona border infrastructure. When we have a sense of where the company stands with regard to its water rights, we can suggest next steps to you. By the way, I have you confirmed to speak to the Arizona Chamber of Commerce/Arizona Manufacturing Council in midAugust, which will give you the opportunity to possibly meet with the Phoenix Mayor and Sen. McCain's office on

the return.

Dear Ms. Gilbreath.

Thank you kindly for the invitation. Our Regional Administrator is pleased to accept. We'll make a hotel reservation at the Prescott Resort for the evening prior. As the date draws nearer, please let me know if you'd like additional information, or if there are particular topics your members are hoping he may cover in his remarks.

Kind regards,

**Alexis**

Dear Mr. Stoker,

The Arizona Chamber of Commerce and Industry is holding its annual Environmental Summit on August 20<sup>th</sup> and 21<sup>st</sup> in Prescott, Arizona. This is an annual event attended by individuals from industry, consulting, law firms and regulators involved in industrial environmental policy and compliance.

We would like to invite you to be our keynote luncheon speaker on August 20<sup>th</sup>. Lunch will be served at 12:00 PM with your remarks beginning at 12:15 PM. You would have 30 to 45 minutes for your remarks.

This event will be held at the Prescott Resort located at 1500 East State Route 69
Prescott, AZ 86301. For more information on this event please go to the Arizona Chamber's Web Page.

Your participation in this event would be greatly appreciated. Please let me know by July 6<sup>th</sup> if you will be able to participate.

Best, Julie

Attachments: 2018 Environmental Summit Invitation Letter MikeStoker.pdf

#### Dear Laura,

I have spoken with Allison Gilbreath, executive director of the Arizona Manufacturing Council, which is cosponsoring this event with the Arizona Chamber of Commerce (see attached invitation). Let's fly Mike S to Phoenix on Sunday afternoon, Aug 19, he can rent a car and drive approx. two hours to Prescott, then give a speech the next day at this meeting and drive back to Phoenix. Let's find him a room at govt rate in Phoenix for meetings on Tuesday Aug 21 (probably Mayor of Phoenix and Sen. McCain's office), then fly him from Phoenix to Arcata Tuesday (possible? Or to LA and then the early morning flight to Arcata which arrives Wed IO am?). He has Superfund events Wed and Thurs in Arcata, and can then fly back to LA. What time is the sole return flight (Arcata to LA)?

For the Prescott speaking engagement, please call the hotel at 928 227 2313 and ask for the block of rooms associated with this Chamber of Commerce/Manufacturing Council event. Please also past the incoming invitation into his calendar for Aug. 20.

Thanks, Alexis

Here are the main follow-up items from the RA's trip to Arizona last week. I've noted the relevant senior manager in bold at the end of each item. Please let me know if you need more details or clarity.

# Deliberative Process / Ex. 5

2. Roosevelt Irrigation District/West Van Buren: attorney Dave Kimball gave RA a copy of a recent email to Misael Cabrera, asked for a follow-up with EPA. Lead: Enrique. Internal RA briefing has been set.

3. Superfund cleanups in NM: attorney Mitch Klein asked for R9's assistance with EPA R6 senior managers regarding Tronox-funded site cleanups and proposed NPL listing in NM. Deliberative Process / Ex. 5

# **Deliberative Process / Ex. 5**

- **4. City of Phoenix**: met with Mayor Williams, Chief of Staff Seth Scott, and Environmental Programs Director Nancy Allen re
- a. Rio Salado: COP appreciates Jared Vollmer and Scott Stollman technical assistance on Rio Salado, noting challenge of reclaiming sand-and-gravel pits, landfills, etc. RA invited them to apply for next round of EPA Brownfields funds. **Lead: Tomas –** thanks to staff, remind COP re Brownfields funding timing.
- b. RID/W. Van Buren: City and SRP as water providers, want the treated groundwater to use, want to confer with us on next steps in mid-September. **Lead: Enrique.** After briefing RA, Superfund to set up briefing for Nancy Allen mid-September.
- c. Air Quality: asked for status of EPA action on exceptional events data they've submitted. Very interested in ozone-reduction strategies, that being day 42 of an ozone advisory for the valley. Worried about moderate to serious designation. **Lead: Elizabeth and Matt** to update Nancy Allen in early September.
- d. Sustainability: City very invested in its sustainability and waste-diversion goals, asked RA to tour their new compost facility when next visiting Rio Salado.

Thx, Alexis
